

SEASON PASSHOLDER *Choices* PROGRAM

This program is designed to allow current 2022 theme park season passholders several options to upgrade to a combo theme park/waterpark pass for a nominal fee or remain as a theme park only passholder until pass expiration (12/31/2022).

The Choices Plan offers three options passholders can secure starting May 25, 2022:

1. UPGRADE NOW

- Immediate eligibility to purchase up to the Platinum Combo Season Pass or Diamond Combo Season Pass.
- Passholders would get credit for the original theme park pass value (based on Standard {\$79.99++} or Gold {\$89.99++} value). The original value would be applied against the purchase of a new Platinum or Diamond Combo Season Pass.
- Note: if Passholders choose to upgrade to a Platinum or Diamond Combo Season Pass between May 25, 2022 and July 31, 2022, then they will be ineligible to upgrade in August and will not qualify for the August deal. They will be able to purchase the 2023 Season Passes after September 1, 2022 when the passes go on sale to the general public.
- Offer available for existing theme park Season Passholders only.

2. WAIT UNTIL AUGUST 2022 & EARN MORE PERKS!

- Existing theme park only season passholders can defer a water park experience and earn even more perks.
- By waiting until August 1, 2022, existing theme park only season passholders can receive upgrade to a Combo Season Pass.
- Passholders would get credit for the original theme park pass value (based on Standard {\$79.99++} or Gold {\$89.99++} value).
- PLUS get a 2023 season pass with access starting August 1, 2022, through December 31, 2023.
- PLUS receive an additional \$100 credit off of the new upgrade.
- PLUS get a complimentary upgrade from Platinum (base level) to Diamond (premium level).
- Offer valid August 1, 2022 through August 30, 2022 for existing Theme Park (only) Season Passholders.
- Note: Passholders who wait until August 1, 2022 to upgrade would still have access to the theme park only now through time of upgrade.
- Note: Passholders who wait until August 1, 2022 to upgrade will receive \$29.99 off the Combo Day Pass to enjoy the theme park and waterpark for only \$40.00++. Offer valid 1 per passholder per day through August 1, 2022. Cannot be combined with other offers, coupons, or discounts.

3. THEME PARK ONLY/NO UPGRADE which means passholder chooses not to upgrade to a combo and keep their theme park only season pass for the remainder of the 2022 calendar year. All theme park only season passes will expire December 31, 2022. Theme park only season passholders will be entitled to previously stated perks available for Standard and Gold Theme Park only passes.
