

## Tropic Falls Indoor Waterpark Opening FAQ

### When will the indoor waterpark open?

Due to a few unanticipated delays, Tropic Falls Indoor Waterpark will not open today (6/27) as planned. Ensuring a quality experience for our guest is key to a successful opening.

Much like our guests, we are disappointed by this temporary delay—and, at the same time, even more excited to have you join us on our opening date of Wednesday, June 29 at 10am.

For all of our thrill-seeking fans, Tropic Falls theme park remains open, and the hours can be found [here](#).

### I intended to use my Combo Day Pass on June 27 or June 28. What are my options?

Great news. Combo Day Passes purchased with the intention of using them on June 27 or June 28 to visit the indoor waterpark are valid through December 31, 2022.

If you are not available to return before the end of the year, please contact Tropic Falls Guest Services at [251-923-2111](tel:251-923-2111) option 3.

Effective: June 27, 2022.
